| <b>Unit Size</b>     | 100 ul                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | 23GB6555                                                                                    |
| <b>Preservative</b>  | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Purity</b>        | Affinity purified                                                                           |
| <b>Buffer</b>        | PBS (pH 7.4), 50% glycerol                                                                  |

**Product Description**

|                                |                                                                                  |
|--------------------------------|----------------------------------------------------------------------------------|
| <b>Host</b>                    | Rabbit                                                                           |
| <b>Gene ID</b>                 | 3727                                                                             |
| <b>Gene Symbol</b>             | JUND                                                                             |
| <b>Species</b>                 | Human, Mouse, Rat                                                                |
| <b>Specificity/Sensitivity</b> | This antibody detects endogenous levels of JUND only when phosphorylated at S255 |
| <b>Immunogen</b>               | A synthesized peptide derived from human Phospho-JunD (S255) (Uniprot: P17535)   |

**Product Application Details**

|                              |                                                                                            |
|------------------------------|--------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Knockdown Validated |
| <b>Recommended Dilutions</b> | Western Blot, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Knockdown Validated |
