| Purity                      | Protein A purified                                                                                                                    |
| Buffer                      | PBS, pH 7.2, 40% glycerol                                                                                                             |
| Product Description         |                                                                                                                                       |
| Host                        | Mouse                                                                                                                                 |
| Gene ID                     | 2597                                                                                                                                  |
| Gene Symbol                 | GAPDH                                                                                                                                 |
| Species                     | Human                                                                                                                                 |
| Immunogen                   | This antibody was developed using a recombinant protein derived from P04406, with the exact immunogen sequence remaining proprietary. |
| Product Application Details |                                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry                                                                                                    |
| Recommended Dilutions       | Western Blot 1 ug/ml, Immunohistochemistry 1:2500-1:5000                                                                              |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.                                                                                 |
