MAP2 Antibody (CL5420) [Dylight 650]

| Product Information         |                                                                                                                                       |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                      |
| Storage                     | Store at 4C in the dark.                                                                                                              |
| Clonality                   | Monoclonal                                                                                                                            |
| Clone                       | CL5420                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                    |
| Isotype                     | IgG1                                                                                                                                  |
| Conjugate                   | DyLight 650                                                                                                                           |
| Purity                      | Protein A purified                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                    |
| Product Description         |                                                                                                                                       |
| Host                        | Mouse                                                                                                                                 |
| Gene ID                     | 4133                                                                                                                                  |
| Gene Symbol                 | MAP2                                                                                                                                  |
| Species                     | Human                                                                                                                                 |
| Immunogen                   | This antibody was developed using a recombinant protein derived from P11137, with the exact immunogen sequence remaining proprietary. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                     |
| Product Application Details |                                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                             |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                |
